DEMOCRATIC MASS MEETING

Democratic mass meeting undertaken to transfer to her own market the cotton trade of the valley of the Maintenance to the cotton trade of the valley of the Maintenance to the cotton trade of the valley of the Maintenance to the company know that the must be company know that the must be company know that the must be considered.

Pursuant to a call, numerously signed,

After effective retired combinations are

THE editors of the APPEAL decil

for the purpose of nominating candidates for mayor and other municipal offices,

THE PROPOSED MASS MEETING. THE MUNICIPAL ELECTIONS. Three weeks from to-night a mass- extended from St. Louis through Little boards of aldermen, these roads may be meeting will be held at Greenlaw Opers Rock to Fulton, Arkansas. The latter built at once through the intervention of House, to nominate candidates for muni- line involves the greatest possible danger cipal officers. The call for this meeting, by the Democratic taxpayers of Memphis, has put in commotion the political phis, has put in commotion the political place hunters, bummers and dead-bears, to Little Rock, in 1831, the people of the city of and all sorts of achienes are being coordinated for the purpose of defeating the will of the taxpayors. The little Memphis, have dreamed of boundless prosperity, based upon the wealth and phis Tammanylies are marching and resources of the wonderful country who can do most in promotion of city's phis Tammanyites are marching and resources of the wonderful country who can do most in counter-marching; the mountain is in through which engineers are engaged in defining a route for the Memphis and ing for the appearance of a beautiful and Shreveport road. St. Louis proposes to cell-developed mouse. But the honest precede Memphis in this commercial inand earnest men of Memphis are inspired vasion of Texas and Northern Louisisma. To this the Pitteburg Pustobjects, because by the most resolute determination that a Even now, a railway line, constituting an the Demogratic press of St. Louis and a new epoch shall be inaugurated in the ednew epoch shall be inaugurated experienced and incorruptible men shall ton and across Red river into the imperial nomination altogether. There exists no trade, and engage altogether in the be placed in office; that mercenary and domains of Texas. Having done us all reason why a city should be selected in wholesale, have reduced the prices of corrupt practices shall not enter into the possible detriment on this side of the riv- which to hold a convention which utterly every article they offer for sale TO government of our city; that place—or, having its sgents on land and water ignores the necessity or policy of one."

Cost. They make this sacrifice because shall not be fed at the public everywhere obsequed at our very dicors in the control of the cost of the public everything from a paper of pins to the second mouths to eat public a keg of whiskey, St. Louis would now and above and a keg of whiskey, St. Louis would now a keg of whiskey, St. Louis would now and above and a keg of whiskey, St. Louis would now a keg of whiskey, St. Louis would now a keg of whiskey, St. Louis would now a keg of whiskey. St. Louis would now a keg of whiskey, St. Louis would now a keg of whiskey. St. Louis would now a keg of whiskey, St. Louis would now a keg of whiskey. St. Louis would now a keg of whiskey and a keg of whiskey and a keg of whiskey. St. Louis would now a keg of whiskey and a keg of whiskey and a keg of whiskey and a keg of whiskey. taxes; and that frugality, econc-iny and the greatest good of the of Arkanasa and Texas. In the race to op an and one closed that alone would be people must be the sim of all future city this goal of commercial greatness Mem- equal to holding the Democratic host. Let press. They are determined to close rations. These are noble re- phis has precedence. The distance which solves, but they will be worth nothing Memphis must traverse is hardly half phis. unless the people turn out, en masse, and that which St. Louis must bridge with control the proposed mass-meeting on the group and if we be true to correlves our 9th of December. The substantial citizens highway to the paradise of trade will be formed before St. Louis has cut half them from attending the proposed meet- its costly path across ridges and hill- all the means required in adapting the ing. The spainy of the wealthy and pro sides, of the rough region through which navy-yard property to the uses of the goods or wardrobes will find in our fessional classes in regard to politics and its road must pass between Little Rock several companies. To build the railroad ferryboat and ways for the tracks and sall classes are now aroused to the importance of participating in the selection of densely-populated dustrict. From Devalis can steep grades on either above of the

York thieves called forth the following, and from might be laid as rapidly as trees and similar articles which we find in the are removed. Arrangements have been commerce with Arkansas that merchants. January and without fail. We invite New York papers: on of a brown stone palace, fiving on our programme, of self-one of a brown stone palace, fiving on onghiy conversant with the business of self-one of the state of the self-one of railroad construction, have employed the self-one of the self-one of the part of the Little Rock depot on this side of the barked in the great task; charters the Little Rock depot on this side of the barked in the great task; charters

of served exactly right? May we not that the sine of St. Louis may be defeated, but that Memphis may be rapidly agforce to a large and influential class in Memphis who have heretefore made it a HOW LOUISVILLE WOULD REWARD subject of congratulation that they never in elections But the in New York, Chicago, Louisville proposes to follow in the foot and indeed in nearly every city of stops of Nashville and that the coming continence has aroused the people, and municipal centest in that city will be one they are determined, for the future, not in which a convention will have no sha to be dragooned by tricksters into the The nominees are to be the choice of a JACOB GANS' support of the wrong, or builted out of manamenting, in which the Tammany. support of the wrong, or builted out or mass-meeting, in which the Tammany their property and liberties in mass- lies (of which there are some there as meetings of the people. The future pros- weil as in Memphis) will have no perity of Memphia as a city, and ourselves hand. The people of Louisville, like as individuals, demand that every good those of Memphis, are satisfied to let well Where will be round a spieudid effect of citizen should turn out and participate in | enough slove, and to avail themselves of the proposed mass meeting. We have an the contin abundance of the very best material in officers as have proven their fitness an the city. There is no lack of men smithe city. There is no like of men sminently qualified to fill every municipal
Memphis, notwithstanding the charts of
Office. We have only to relect these men.
The little Tammany vive that would be in floe. We have only to select these men, the little Tammany ring that would sink and if we fall to do so the fault will be our and morge the future of our city in a own. In order to secure good candillates, scramble for offices they have no fitness the people must turn out and give coun- to fill. Nashville has led; Louisville tenance, strength and success to the pro- will follow, if this article from the Courie posed meeting. We frequently hear com- Journal in to be taken as a criterion: claimts that these meetings are thinly. We are glad to hear that our exequity co stiended, and that a few men manage, mitter have instions. This is the strongest reaattend these meetings. If we want suit-ab a nominations, let us go there and make them, or "forever after hold our" Herefore, in some instances, politics have few men to do this work, and then com-plain of the manner in which they have ventions, and, from what we have heard lone it. The proposed mass-meeting has the manner in which delegates are elected a been fixed at an accessible place; the hour the ward recettings, we think there is good he professional man, the capitalist-let | have had for years; indeed, some of the I who are interested in protecting their have beld their offices for many years wi go to the meeting and give it the

them, and cometimes make objectionable son why the people generally should attend these meetings. If we want suitpeace," and not stay away and leave a had too much to do with the s convenient; ample notice has been given; then let the laborer, the mechanic, I am property and saving the city from Radical sensett of their countenance and advice. "An ounce of prevention is worth a for many years. pound of cure;" and true wisdom unerringly points out the way to prevent the for which there may be no ours. It is the people's business; they all have a voice in it, and that voice should be heard. But how can this be accomplished if we stay at home and leave this matter in the hands of others, and content ourselves. with grumbling and growling at what as been done? Away-with such folly! There is work for all of us to do, and there is none of us too good to do admitted by all cleanes. It cannot be a sayed that they are honest, upright clin royage; and every man is expected do his duty, in order to save the ship and carry her into a port of safety. The man who falls to attend the proposed mass-receiling committee crime! There may be fault found by somes th against the public, shows an insensibility o his own interest. Then stoned and and

in making good nominations for the several offices that are to be filled-nomistions that will represent the industry, the intelligence, the wealth and the moral munity-and then, in solid column, with harmony and enthusiasm as our watchwords, and the rule of the people insorbed upon our banners, et us make "- ong pull, a strong pull, and a pull'all together," and the day will

On Thursday, November 5th, that excollent journal, the Boston Post, com- la ted its fortioth year in an editorial executive and clerical; and this remainds us ittled * Porty Years white a brief re-titled * Porty Years white a brief re-present incumitants should not be displaced in view of the successful and honorable onreer of the Post and its carly struggles,
Colonel Charles G. Greene writes: "All
these pleasant little matters of fact will be
qualified to personal technical duries, and
qualified to personal technical duries, and
qualified to personal technical duries, and
qualified to personal technical duries, and freely admitted by generous contempora-ries, with whom it has fought and shaken oughly demonstrated their fitness for the ries, with whom it has fought and shaken hands hundreds of times, and after con t seems all the more wrong to ests of two sours years, it can truly say it harbors no unkind thought toward one of them " Colonel secone, in his retrospect,"

the sharp enmittee the Post encountered Dormed them, amid many hot contests; for those reco lections are obscured by the experience belief that there are not other men in the of kindness and an indulgence which fills community who would make equally so good his heart with gratitude. When the first it wen number of the Boat was published, on No- present vember 9, 1831, three hundred sheets an are not affect on the state of ing machines" can throwest from twenty superior to those at the present to thirty thousand.
